

# Packing List

## Packing tips

- Please remember you are coming to camp. Pack comfortable clothes that you are not afraid will get dirty.
- We require closed toe shoes at all times while walking around camp property. We have a lot of sand, sticks, and other things of nature - we want your feet to stay safe!
- Nights can be COLD in northern Michigan. Please make sure you have a warm jacket and that all sleeping bags are warm enough.
- We recommend packing your sleeping bag and pillow in their own duffle bag or similar. Sleeping bags tend to come unraveled while carrying to and from your cabin.
- Please put an ID tag with phone number on your luggage. You would be surprised how many people leave bags behind! We want to make sure you go home with what you came with.

## What to bring

- Shorts
- Jeans or long pants
- Shirts
- Underwear
- Socks
- Warm jacket or sweatshirt
- Pajamas
- Swimsuit (modest, the river will be cold if you want to brave it)
